

EHN: aim and objectives

AIM

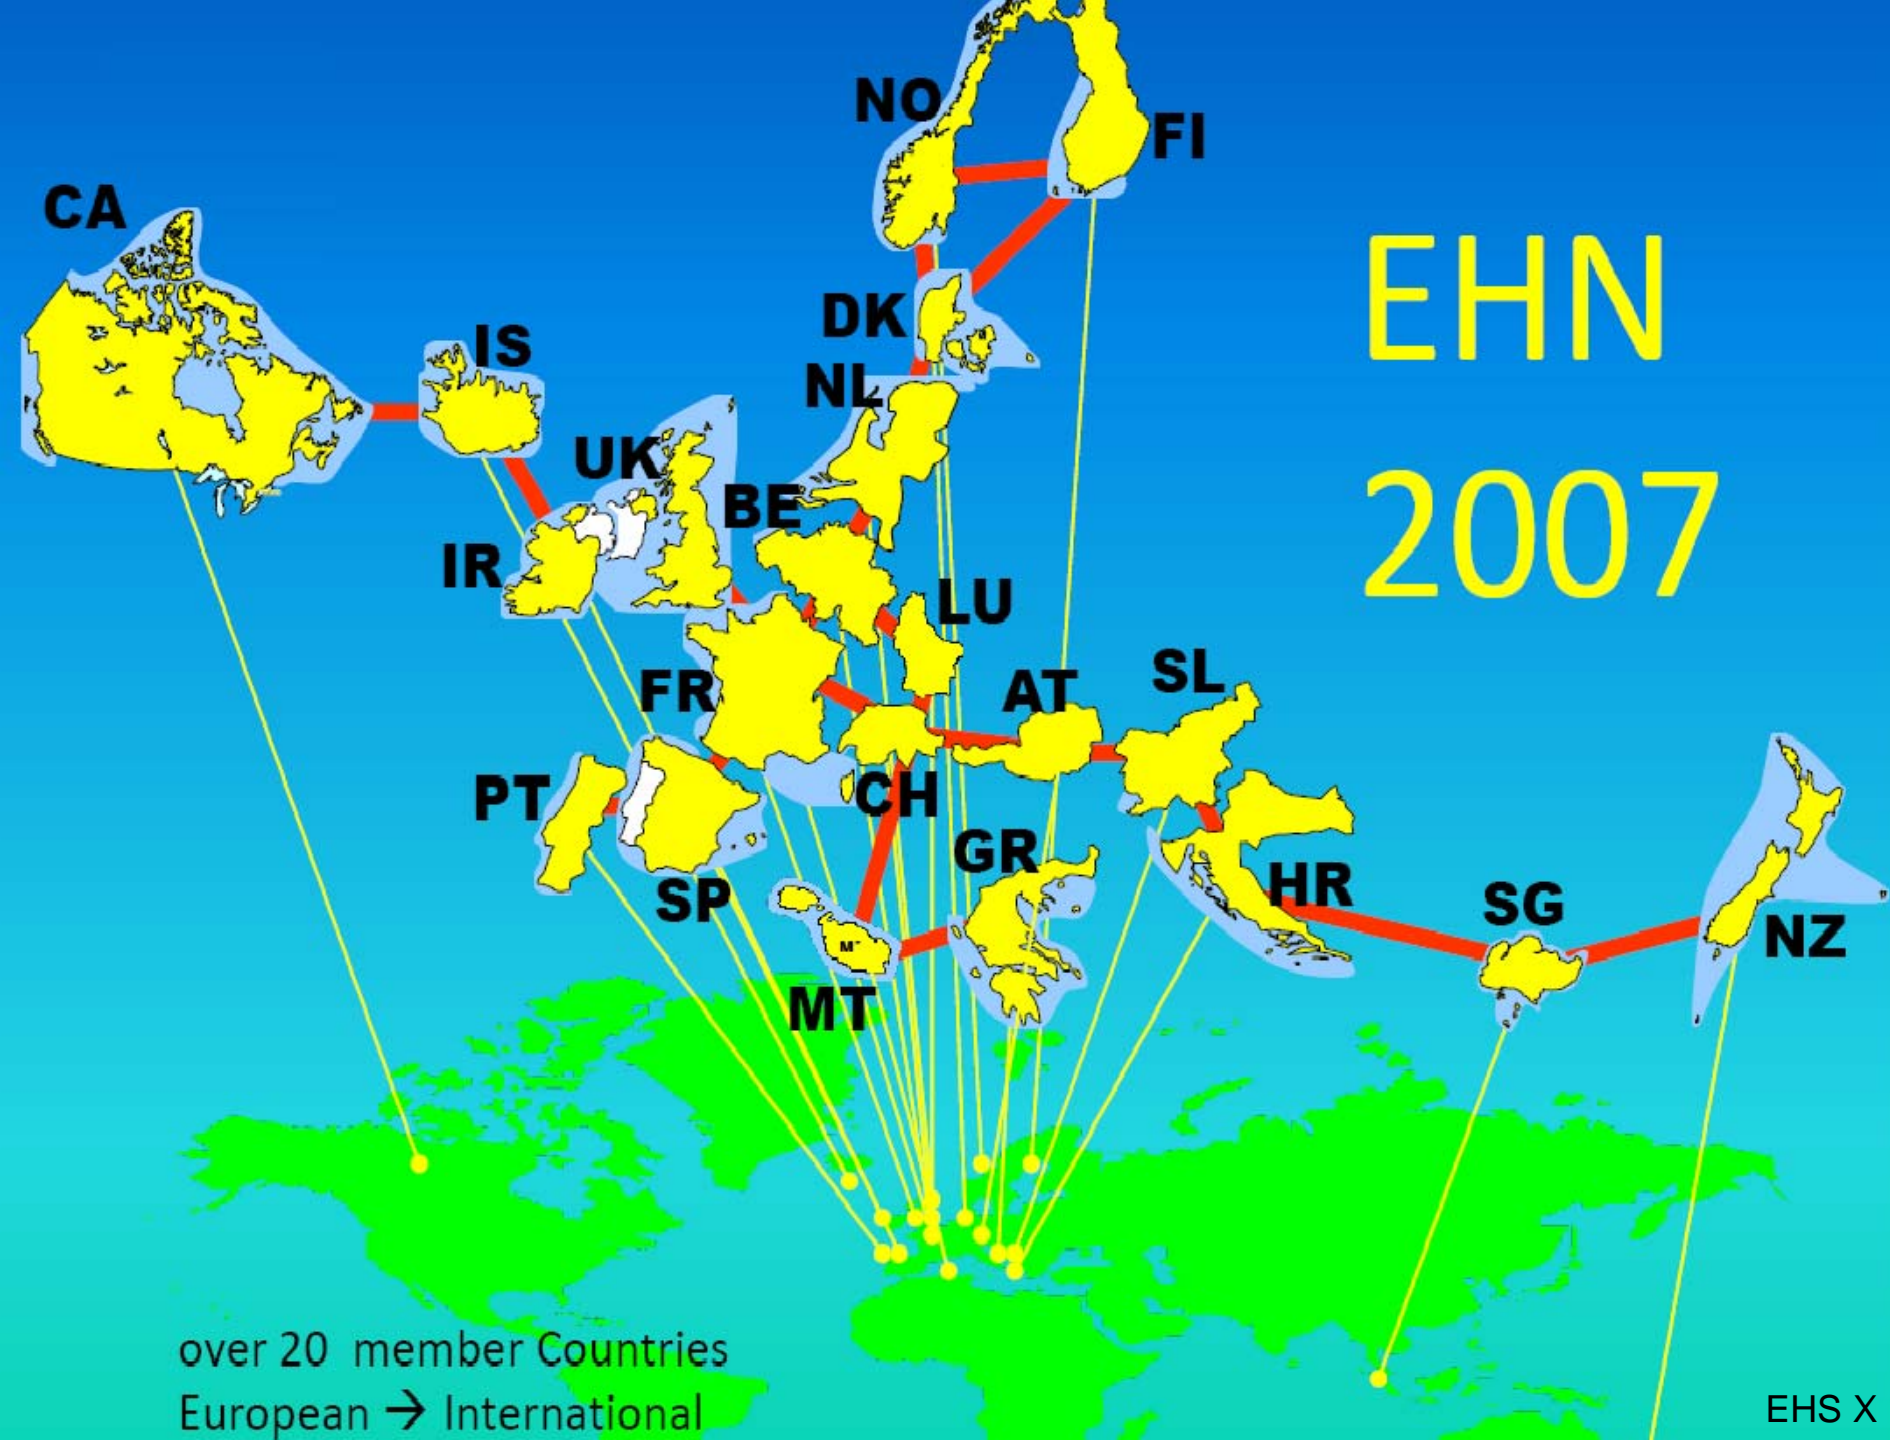

**to develop and maintain a common structure
for haemovigilance**

OBJECTIVES

- exchange of valid information**
- increase rapid alert / early warning**
- encourage joint activities**
- undertake educational activities**

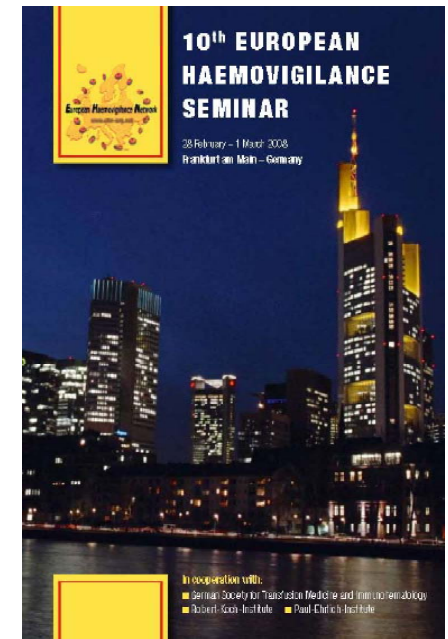

EHN 2007

over 20 member Countries
European → International

The 10th European Haemovigilance Seminar

1. Bordeaux,	FR,	Nov. 1997
2. Lyon,	FR,	Nov. 1999
3. Montpellier,	FR,	Sep. 2000
4. Athens,	GR,	Dec. 2001
5. Amsterdam,	NL,	Feb. 2003
6. Zurich,	CH,	Feb. 2004
7. London,	UK,	Feb. 2005
8. Porto,	PT,	Feb. 2006
9. Dublin,	IR,	Feb. 2007
10. Frankfurt,	DE,	Feb. 2008

EHS Programme

- . Adverse events**
- . Use of less blood products**
- . Hemovigilance**

EHS X Programme

- . Adverse events *and* **benefits**
- . (*No?*) **benefit for patients**
and exposing donors to risks
- . Use of less blood products
and risks of alternatives
- . Hemovigilance *and tissue vigilance*
