

Virtual IHN mini-seminar

The Pathophysiology of Transfusion Reactions

Tuesday, 24 October 2023 [14:00 – 15:30 CET](#)

Program

Chair: Dr. Barbee Whitaker

14:00 - 14:05

Welcome

- Dr. Shruthi Narayan
President IHN
Medical Director SHOT

14:05 – 14:10

IHN Seminar Committee

- Dr. Barbee Whitaker
Chair IHN Seminar Committee
Lead General Health Scientist Office of Biostatistics and
Epidemiology, Center for Biologics Evaluation and Research
US Food & Drug Administration

Moderator:

Dr. Shruthi Narayan

14:10 - 14:40

- **Dr Christine Cserti-Gazdewich**
Transfusion Reaction Pathophysiology: What's Riding Under the
Hood of the Archetypes?
Q & A

14:40 - 15:00

- **Dr Anicee Danaee**
Pathophysiology of Hyperhaemolysis
Q & A

15:00 - 15:15

- speaker TBA (to be announced)
Hyperhaemolysis (case study) – Case of hyperhaemolysis in a sickle
cell disease patient

15:15 – 15:35

- **Dr Joseph Sharif** (clinical details) and **Tracey Tomlinson** (laboratory aspects)
Hyperhaemolysis (case study) – Case of hyperhaemolysis in a non-
sickle cell disease patient

15:35
